Examination	University	Institute	Year	CPI/%
Post Graduation	GTU	LDCE ahmedabad	2024-26	8.20 CPI
Graduation	SAURASTRA UNI.	JJKCC rajkot	2021-24	7.88 CPI
HSC	GSEB	Sanskar School	2021	82.29 %
SSC	GSEB	Hiraman School	2019	79.17 %

PROJECTS

- **Voice Assistant** ([view](#)) (Oct'24-Mar'25)
 - The Voice Activated Assistant is designed to simplify everyday tasks through the power of voice commands.
 - Built to handle a range of functions like Data Analysis, Weather Information, YouTube Video Downloader, Password Generator, screenshot Capture, System Control, Website Scraping, Social Media Interaction, And many more.
 - Integrated API's, Google Web Driver, Large Language Model and many python libraries.
 - Implemented dynamic importing to ensure time saving and faster execution.
- **Credit Card Financial Dashboard** ([view](#)) (Sep'24-Sep'24)
 - Designed and implemented an interactive Power BI dashboard that visualizes and monitors credit card financial data.
 - The project aimed to provide stakeholders with real-time insights into credit card transactions, spending patterns, and financial performance, enabling data-driven decision-making.
 - Integrated data from PostgreSQL, utilized DAX for advanced calculations, and created dynamic visualizations for accurate financial reporting and risk management.
 - Provided enhanced Financial Monitoring, Advanced Customer Behavior Insights, Improved Risk Assessment.
- **Email Generator** ([view](#)) (May'25-May'25)
 - This Email Generator is designed to generate and cold email from job description.
 - Designed an engaging and user-friendly interface in streamlit.
 - Implemented Web Base Loader to intelligently parse key fields like role, skills, experience, and description using Langchain's Prompt Template and structured output parsing using Json Output Parser.
 - With the extracted job data, Created a prompt-driven cold email tailored to the company using llama 3.3 70B model.

TECHNICAL SKILLS

- **Programming & Scripting Languages:** Python, Machine Learning.
- **Tools & Libraries:** PowerBi, Databricks, Excel, Tableau, Docker, Git, Github, Data studio, PostgreSQL, Big Query, MongoDB, BeautifulSoup, streamlit, Langchain, Pandas, NumPy, Matplotlib.

WORK EXPERIENCE & INTERNSHIPS

- Data Analyst | Solomo360 Technologies ([view](#)) (Nov '21-May'22)
 - Involved in Requirement analysis to Data integration, Data cleaning, Data visualization, Designing and Developing kpi reports.
 - Created dashboards, KPI Reports with advanced formulas, DAX queries to provide insights.
 - Interacted with PostgreSQL and Big Query to extract and manipulate data.

ACHIVEMENT

- Lead few projects in internship

CERTIFICATE

- Generative AI (Outskill)
- Professional & personal effectiveness (Ahmedabad Management Association)

AREA OF INTEREST

- Data analysis
- Data science
- Data visualization
- AI
- ML

HOBBY

- Coding
- Playing Chess
- Reading books
