Examination	University	Institute	Year	CPI/%
Post Graduation	GTU	LDCE Ahmedabad	2024-26	8.20 CPI
Graduation	SAURASTRA UNI.	JJKCC Rajkot	2021-24	7.88 CPI
HSC	GSEB	Sanskar School	2021	82.29 %
SSC	GSEB	Hiraman School	2019	79.17 %

PROJECTS

- **Voice Assistant** (view)   *(Oct'24-Mar'25)*
  - The Voice Activated Assistant is designed to simplify everyday tasks through the power of voice commands.
  - Built to handle a range of functions like Data Analysis, Weather Information, YouTube Video Downloader, Password Generator, screenshot Capture, System Control, Website Scraping, Social Media Interaction, And many more.
  - Integrated API's, Google Web Driver, Large Language Model and many python libraries.
  - Implemented dynamic importing to ensure time saving and faster execution.
- *Credit Card Financial Dashboard* (view)   *(Sep'24-Sep'24)*
  - Designed and implemented an interactive Power BI dashboard that visualizes and monitors credit card financial data.
  - The project aimed to provide stakeholders with real-time insights into credit card transactions, spending patterns, and financial performance, enabling data-driven decision-making.
  - Integrated data from PostgreSQL, utilized DAX for advanced calculations, and created dynamic visualizations for accurate financial reporting and risk management.
  - Provided enhanced Financial Monitoring, Advanced Customer Behavior Insights, Improved Risk Assessment.
- **Email Generator** (view)   *(May'25-May'25)*
  - This Email Generator is designed to generate and cold email from job description.
  - Designed an engaging and user-friendly interface in streamlit.
  - Implemented Web Base Loader to intelligently parse key fields like role, skills, experience, and description using Langchain's Prompt Template and structured output parsing using Json Output Parser.
  - With the extracted job data, Created a prompt-driven cold email tailored to the company using llama 3.3 70B model.

TECHNICAL SKILLS

- **Programming & Scripting Languages**: Python, SQL
- **Tools & Libraries**: PowerBi, Databricks, Excel, Tableau, Docker, Github, Data studio, PostgreSql, Big Query, streamlit, Langchain, Pandas, NumPy, Matplotlib.

WORK EXPERIENCE & INTERNSHIPS

- Data Analyst | Solomo360 Technologies (view)   *(Nov '21-May'22)*
  - Involved in Requirement analysis to Data integration, Data cleaning, Data visualization, Designing and Developing kpi reports.
  - Created dashboards, KPI Reports with advanced formulas, DAX queries to provide insights.
  - Interacted with PostgreSql and Big Query to extract and manipulate data.

CERTIFICATE

- *Generative AI (Outskill)*
- *Professional & personal effectiveness (Ahmedabad Management Association)*

AREA OF INTEREST

- *Data analysis & Visualization*
- *Data Engineering*
- *Data science*

HOBBY

- *Coding*
- *Playing Chess*
- *Reading books*
